**Safeguard the Children.**

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by A. G. Wanner.

**Less Than Half Fare.**

The Burlington offers another series of low rate excursions to St. Louis and return on Mondays July 11, 18 and 25. Tickets at \$7.25 for the round trip—considerably less than half rate. Tickets are good in chair cars and coaches. Let us send you an illustrated folder or call on our agent for full particulars. L. K. Wakely, general passenger agent, Omaha.
